

**Theorem 0.1** *This is a boxed theorem with a predefined color.*

**Definition 0.1** *This is a boxed definition with a custom color.*

**Proposition 0.1** *This is a boxed proposition.*

**Corollary 0.1** *This is a boxed corollary.*

**Remark 0.1** *This is a boxed remark.*

**Theorem 0.2** *This is a boxed theorem with assertions:*

*(i) Assertion A*

*(ii) Assertion B*

*(iii) Assertion C*

**Exercise 0.1** *Solve the following equation:  $2x + 5 = 3$ .*
